

# DUNE PALMS

BRIDGE IMPROVEMENT PROJECT

## CONSTRUCTION ALERT: Week of January 30, 2023

First day of construction is Monday, Jan. 30

Mobilization of materials and equipment begins.

Please visit [www.laquintaca.gov/DunePalms](http://www.laquintaca.gov/DunePalms) for project details.

Crews will begin mobilizing materials and equipment, and adding construction signs in the project area to kick-off the start of the two-year project.

Work also begins on removing three vacated dwellings in the Dune Palms Mobile Home Estates. Demolition of these dwellings in the project right of way is necessary to make space for the new sidewalk and mobile home park privacy wall.

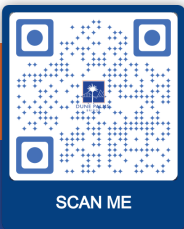

### What to expect

- Construction vehicles and machinery will be entering and exiting the job site.
- Motorists should be aware of the reduced speed limit in the project area.
- Upcoming work will include constructing the temporary road on the western side for temporary bypass road construction.
- Please visit [www.laquintaca.gov/DunePalms](http://www.laquintaca.gov/DunePalms) and sign up to receive construction alerts.

Architectural rendering of the future Dune Palms Road all-weather access bridge.
