

# DUNE PALMS

## BRIDGE IMPROVEMENT PROJECT

### CONSTRUCTION ALERT: Week of June 26, 2023

Intermittent road closures and extended work hours continue.

#### EXTENDED WORK HOURS

Monday through Friday and possibly Saturday, from 6 a.m. to 6 p.m.

#### TRAFFIC IMPACTS

Dune Palms Bypass Road Intermittent Road Closure 8 a.m. to 11:45 a.m.

North and southbound lanes will be stopped for up to 15-minute intervals. Traffic flaggers will guide motorists to make U-turns during this operation. Allow additional time for travel or use alternate routes.

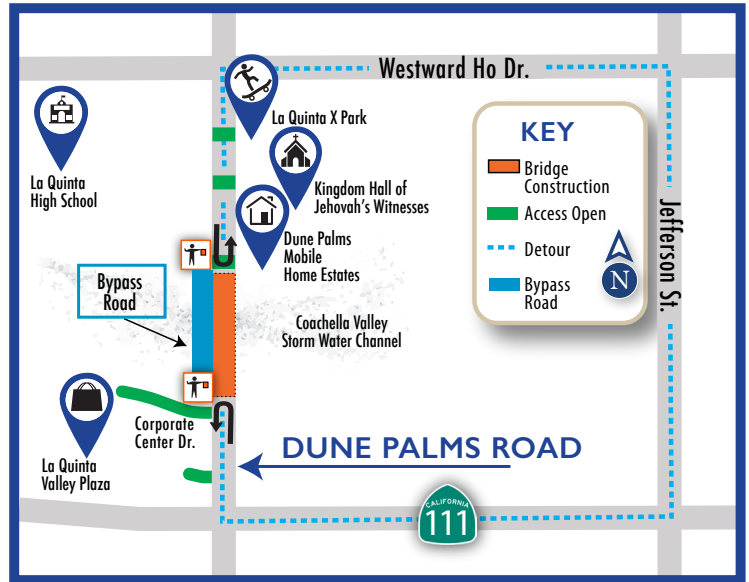

During the cage setting process, crews require intermittent traffic stops, anticipated to last up to 15-minutes on north and southbound Dune Palms Bypass Road. The traffic stops will occur when contractors stand and set the 110-foot-long cages into the ground next to the road.

#### UPDATE

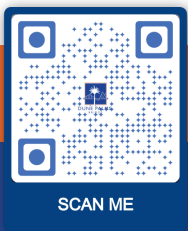

Crews are making progress on the construction assembly, drill, set and pour process for the northbound eastern bridge span foundations and footings.

Contractors are working on the 60-inch-diameter foundation rebar cage columns and abutment footings which will soon support the temporary falsework, the next step in the bridge structure construction process.

Project neighbors can expect noise associated with construction including vehicles, machinery, drilling and pounding.

Crews drilling and preparing to set the next 60-inch-diameter rebar cage bridge support foundation into the ground.
