

DUNE PALMS

BRIDGE IMPROVEMENT PROJECT

CONSTRUCTION UPDATE: **Week of July 10, 2023**

This week, large beams will be delivered to the job site. Please drive with caution and watch for trucks entering and exiting the job site.

EXTENDED WORK HOURS

Monday through Friday and possibly Saturday
6 a.m. to 6 p.m.

TRAFFIC IMPACTS

Dune Palms Bypass Road
Watch for trucks and heavy equipment entering and exiting the jobsite.

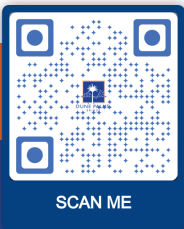

UPDATE

Crews continue working on bridge foundations and are preparing to construct the eastern bridge span falsework; this is the next step in the bridge structure and construction process. Large beams will be delivered to the jobsite, please watch for trucks entering and exiting the area. *Thank you for your patience and cooperation while crews continue the construction of the Dune Palms Road Bridge.*

Crews working on rebar installation for the bridge support abutment, also foundation work.

Crews performing the placement process and rebar work for the 60-inch rebar cage columns, which is part of bridge foundation work.

Project neighbors can expect noise associated with construction including vehicles, machinery, drilling and pounding.
