## BRIDGE IMPROVEMENT PROJECT

### CONSTRUCTION UPDATE: **Week of February 19, 2024**

**No work planned on Monday, Feb. 19 in observance of President's Day.**

#### PROJECT UPDATE

##### Southbound Bridge Span

Crews continue constructing the underground bridge foundation support in the storm channel. Activities include drilling 50-foot holes into the storm channel, placing rebar cages into the holes and filling the cages with concrete.

Project neighbors can expect to hear pounding noise this week, except Monday, during construction work hours from 8 a.m. to 5 p.m.

##### Northbound Bridge Span

This week, crews plan to place concrete, weather permitting, for the northbound bridge sidewalk; continue electrical work for the bridge lights; and begin rebar work on the bridge rail barrier.

##### Dune Palms Road

The road remains closed to through traffic; business access remains open.
