

DUNE PALMS

BRIDGE IMPROVEMENT PROJECT

CONSTRUCTION UPDATE: **Week of August 26**

PROJECT UPDATE

Northbound Bridge

Northbound bridge pedestal lights have been installed. Motorists and pedestrians in both directions continue to use the northbound bridge while the southbound bridge is under construction.

Southbound Bridge

Crews are working on the concrete barrier rail and abutments at both ends of the bridge. Concrete placement is planned for the southbound retaining wall near La Quinta High School during the week of August 26, 2024.

Pedestal Light Installation

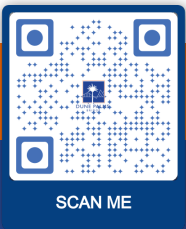

The construction team completed the final touches on the northbound bridge pedestal lights.

This information may change due to weather or field conditions.

Bridge Rail

Crews finished installing the decorative bridge barrier rail on the northbound bridge. This design element matches the other bridges that cross the Coachella Valley Storm Water Channel in La Quinta on Adams and Jefferson streets.
